Bill Descriptive Title

Bill # FA – 05 – 13

Prime Sponsor(s): Senator Alicia Tatum

Cosponsor(s): Senator Jasmine Gibson

Committee: SGA

Bill Type: ☐ Budget Bill ☐ Finance Bill ☐ Senate Bill ☐ Government Bill

WHEREAS, Nine members of the Student Government Association (SGA) attended the ASGA Conference between October 4-6th 2013, representing University of Baltimore. The purpose of this was to strengthen SGA, and perform as more effective leaders for University students. For attendance at the conference, breakfast and lunch meals were to be included with the conference registration fees, and dinner meals are reimbursed at per diem rates.

WHEREAS, On October 4th, once SGA arrived at the conference location there weren't any meal options on display for breakfast. Assembly and travel took 3 hours, and there was an additional 4 hour wait until the next offered meal. All SGA members had to purchase this breakfast meal before attending workshops.

WHEREAS, The lunch meal provided by the conference on October 4th could not be considered adequate. The light fare provided during this lunch meal required SGA representatives to purchase additional nourishment.

WHEREAS, On October 5th, the breakfast meal provided by the conference contained only melon fruit. The next provided meal was a boxed lunch that would not be available for approximately 5 hours later. Due to the health conditions of some SGA members, and the overall need for adequate sustenance, SGA members had to purchase this breakfast meal.

WHEREAS, The standard protocol is that SGA members will be reimbursed for meals that were not attained by the ASGA conference. As it was stipulated that breakfast and lunch were included, without approval, SGA members will not be reimbursed for these three meals – one meal which was unavailable, and two others which were arguably inadequate.

THEREFORE LET IT BE ENACTED THAT:

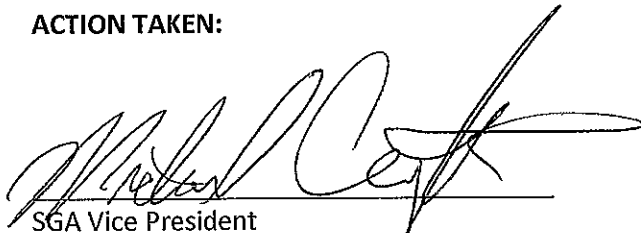

SECTION 1.

Let all SGA representatives that attended the conference be reimbursed for these three meals at the University per diem rate of \$8.00 per breakfast meal, and \$12.00 for the lunch meal, \$28.00 total.

SECTION 2.

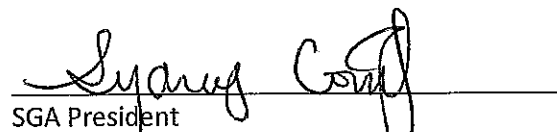

Let SGA reimburse the nine representatives that attended the conference for these three meals. The total reimbursement for these meals equals \$252.00.
