Student Success and Recommendation of Needed Requirements

Resolution # SP – 08 – 14

Resolution on: Student Success and recommendation

Prime Sponsor(s): Dawn Hubbs

Cosponsor(s): Robert Ford

Committee: Academic Committee

WHEREAS, University of Baltimore has been questioned for the low graduation rate of its students; and,

WHEREAS, students have notified members of the Student Government Association that students in registered classes are not being provided syllabi in a timely manner; and,

WHEREAS, students have complained that professors aren't submitting final grades until after the university deadline; and,

WHEREAS, the University of Baltimore is concerned about the success rates of all students.

THEREFORE LET IT BE ENACTED THAT:

SECTION 1. All professors will provide all students a completed Syllabus one week before classes begin; and,

SECTION 2. All professors will utilize and maintain Sakai sites where grades can be viewed throughout the semester in order to give students a way to gauge their performance throughout the semester and as a means of communication with other students; and,

SECTION 3. All professors will adhere to the timeline and deadline set forth for final grades; and,

SECTION 4. That the Dean or interim Dean of every college (College of Arts & Science, College of Public Affairs, and Merrick School of Business) takes the recommendation of the Student Government Association and provides active discussion and debate of the recommendation of these topics, in writing and then provides that documentation to the SGA in 90 days; and,

SECTION 5. That the provost takes these recommendations from the SGA and begins discussing the needs of the students with regards to this resolution and begins discussing these concerns and recommendations with the different colleges and comes back to the SGA in 90 days with a plan of action.
