Date Voted Upon: 4/6/2016

4th General Assembly of the
University of Baltimore
Student Government Association
Academic Year: 2015 - 2016

Facility Enhancements to the Center for Educational Access

Resolution # SP -

23-16

Resolution on: Improving the Center for Educational Access Facility

Prime Sponsor(s): Senator Shorter, Senator Pineda, Senator Johnston

Cosponsor(s): Senator Whye, Senator Shi, Senator Amaya, Senator Thornton, Senator Dangnokho, Senator Smith-Brown

Committee: Academics Committee

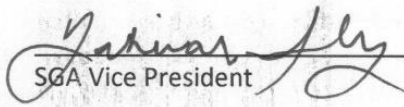

WHEREAS, The Center for Education is an office that is tasked with providing reasonable accommodations for students with documented disabilities through working to ensure that there is access to campus facilities and programs;

WHEREAS, the facility that the services are rendered to students are not at a satisfactory level;

WHEREAS, there is need for technological and furniture enhancements within the facility.

THEREFORE LET IT BE ENACTED THAT:

SECTION 1. The University of Baltimore Student Government Association will advocate for timely and necessary enhancements to the Center for Educational Access facility with an emphasis on upgrades to its technology services and furniture.
