**Course Availability & Graduation Plans**

Resolution # SP – 13 – 14

**Resolution on:** Course Availability & Graduation Plans

**Prime Sponsor(s):** Senator Parsadanian

**Cosponsor(s):** Senator Wooleyhand

**Committee:** Academics

**WHEREAS,** The current graduation plan for students is a very loose list of class requirements. It serves more as a guide rather than a concrete plan to follow.

**WHEREAS,** Furthermore, the lack of consistent class availability every semester makes it more challenging to follow the expected graduation schedule.

**THEREFORE LET IT BE ENACTED THAT:**

**SECTION 1.** The Academic Committee will inquire into the possible establishment of a more tangible graduation plan.

**SECTION 2.** The Academic Committee will inquire into the possibility of increased course availability on a semester by semester basis.
