**University of Baltimore**  
**Student Government Association**  
*Academic Year: 2015 - 2016*

**Cap and Gown Donation Program**

Resolution # FA – 01 – 15

**Resolution on:** Providing graduation caps and gowns to students who are unable to purchase them.

**Prime Sponsor(s):** Sonce Reese, Senator Dangnokho

**Cosponsor(s):** Senator Bentley

**Committee:** Campus Life

**WHEREAS,** Graduation is an important milestone for students; and,

**WHEREAS,** There are students who would like to participate in graduation, but are financially unable to do so because of the cost of caps and gowns; and,

**WHEREAS,** Providing caps and gowns to deserving students would allow those students the opportunity to fully participate in graduation and walk across the stage with their graduating class.

**THEREFORE LET IT BE ENACTED THAT:**

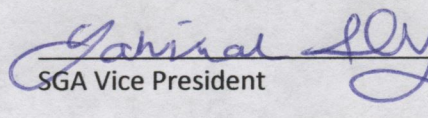

**SECTION 1.** A cap and gown donation program is established to provide caps and gowns to students who are financially unable to purchase them (as determined by the Office of the Dean of Students).

**SECTION 2.** Deserving graduating students who participate in the cap and gown donation program will be provided with a cap and gown at no cost (as determined by the Office of the Dean of Students).

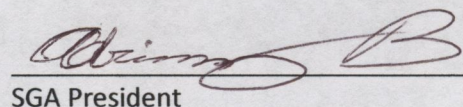

**SECTION 3.** Caps and gowns for the program will come from donations. Donations and collection of caps and gowns will be coordinated through the University of Baltimore Alumni Association. Cap and gown donation drives can be held throughout the semester. Donated caps and gowns will be stored in a location decided on by the Student Government Association.

**SECTION 4.** Students would pick up their cap and gown at the Office of Student Life (or a location determined by the SGA) and return the cap and gown within 24 hours after graduation to the Office of Student Life (or a location determined by the SGA).

**PASSED (12-0-0)**

  
SGA Vice President
