WHEREAS, currently we do not have winners for every category that represent graduate and undergraduate students,

WHEREAS, it is unfair to have undergraduate and graduate students compete for an award when there is disparity of experience,

WHEREAS, creating undergraduate and graduate winners for each category will ensure that we celebrate more UB students and empower them post-graduation through giving them more tools for success and competitiveness.

THEREFORE, LET IT BE ENACTED:

SECTION 1: UBSGA recommends to the University of Baltimore to create Graduate and Undergraduate winner for each category of the Eubie Awards.
